

### Compact plug fluorescent lamp

Kanlux DD is a family of compact fluorescent lamps with GR10q light bulb base. Their high light streams with low consumption of power make them an energy-saving lighting solution for holders with this type of the light bulb base.

#### GENERAL DATA:

**Compatible with a dimmer:** no

**Length [mm]:** 138

**Height [mm]:** 141

**Mercury content:** yes

#### TECHNICAL DATA:

**Rated power [W]:** 21

**Material:** glass

**Light source:** DD

**Colour temperature:** white

**Colour temperature [K]:** 3500

**Colour-rendering index Ra:**  $\geq 80$

**Cap:** GR10q

**Rated lamp-service life [h]:** 8000

**Light source EEL:** A

**Annual power consumption [kWh/1000h]:** 23

**Rated luminous flux [lm]:** 1344
