

Kanlux

Kanlux ERGA PIR

Kanlux ERGA PIR is a versatile downlight that can be mounted on the ceiling (recessed or surface) and on the wall. Available in classic white and black, it fits perfectly into various interiors. Equipped with a PIR motion sensor and CCT technology, which allows you to choose the color temperature. The sensor adjustment and CCT settings are hidden under a removable frame, which ensures aesthetics and ease of use. The fixture is covered by a 5-year warranty, which guarantees its reliability and durability.

- 5 years Warranty under the terms of the warranty statement, available on our website
