Kanlux ARVOS LED is a ceiling lamp that will help you change the mood in the room without having to change the lamp. Thanks to the remote control, you can easily change the light color and intensity, and in the evening you can set the night mode to make it easier to rest. Kanlux ARVOS LED is a lamp that allows you to adjust the light in every room to every situation and activity you are currently performing.

- Enclosure material: steel
- Lampshade material: PMMA
