ARET 2xDTL B/B	38368	2 x max 10	negru	pe o axă	20

Familia de corpuri Kanlux ARET este alcătuită din inele decorative din aliaj de aluminiu și tablă de oțel. Aceste ochi sunt fără cadru -singuri decidem dacă adăugăm un cadru GZ10 sau GX5.3. Asta ne permite să potrivim sursele de lumină cu instalarea pe care o avem într-o cameră dată. Kanlux ARET se verifică ca o iluminare auxiliară, atât în case, cât și în baruri și restaurante, ori de câte ori vrem să accentuăm un aranjament interesant al camerei sau să-i expunem un fragment.

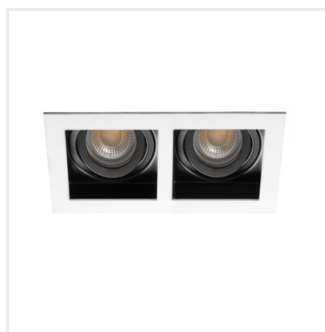

- Inel decorativ fără suport ceramic
- Materialul carcasei: aliaj de aluminiu
